SUPPORT • ENGAGE • RENEW

LIFE THROUGH LIVE THEATRE

## ORIGINS AND TRADITION

In June 1961, 50 area residents with a passion for the stage met at the Chandler Memorial Library to found the Nashua Theatre Guild. NTG produced its first show, *Strange Bedfellows*, in February 1962. Through the decades, NTG's mission has remained the same—To present quality live theatre for the enjoyment and enrichment of residents of Nashua and the surrounding communities.

## NASHUA THEATRE GUILD TODAY

Today, Nashua Theatre Guild presents at least five productions each year.

Each summer, NTG, in conjunction with Nashua SummerFun, produces Shakespeare in the Park. Audience members are welcome to attend these critically acclaimed performances in Greeley Park free of charge.

In the fall and spring, NTG's offerings have included far-out farce, daring dramas, cultured comedies, and progressive plays that defy description.

In 2003, NTG began the *Night of New Directors*, a showcase for talented individuals to make their New England directorial debuts.

In addition, NTG consistently participates in the Nashua Downtown Winter Stroll, most recently with readings of *A Child's Christmas in Wales*.

Finally, NTG has been participating in the New Hampshire Community Theatre Association (NHCTA) Festival for two decades, consistently receiving high praise, including the award for Best Show in 1997.

## PROGRAM ADVERTISING

Nashua Theatre Guild programs are read by all audience members at all performances. Then, they are brought home and often read again, sent to friends and relatives, and even referred to later. No one wants to forget an excellent performance! NTG audiences come from all demographics, from Southern New Hampshire and Northern Massachusetts. These characteristics make an NTG program a unique advertising tool. The longevity and varied exposure ensure that your business will recoup your investment, which is a tax-deductible donation to the arts. Publicize your business while enhancing the cultural quality of the community in which you live and work!

NTG offers 1/4, 1/2, and full page ads, including inside front, inside back, and back cover ads. If you are interested in advertising with NTG, contact us at [sales@nashuatheatreguild.org](mailto:sales@nashuatheatreguild.org) for more information.

## GROUP DISCOUNTS

Nashua Theatre Guild provides a discounted rate for tickets purchased in groups of 20 or more.

- ◆ Support a friend by turning out in droves!
- ◆ Surprise a family member with a birthday to remember!
- ◆ Reward your employees with a night on the town!
- ◆ Get a group together for something a little different!

NTG also does benefit performances for qualifying local charities. These performances can take many forms. For more information about group discounts or benefit performances, contact us at [tickets@nashuatheatreguild.org](mailto:tickets@nashuatheatreguild.org).

## BUY YOUR OWN SHOW

*"For a jingle of coin we can do you a selection... tragedians, at your command."*

Nashua Theatre Guild has a far better repertoire than the Players from *Rosencrantz and Guildenstern are Dead*. However, like the Players, your organization can purchase our talent for up to 200 people at a time. You can buy out the house of one of the Court Street Theater shows, or arrange for us to perform at a suitable venue of your choice. Your investment is tax-deductible. Contact us at [tickets@nashuatheatreguild.org](mailto:tickets@nashuatheatreguild.org).
